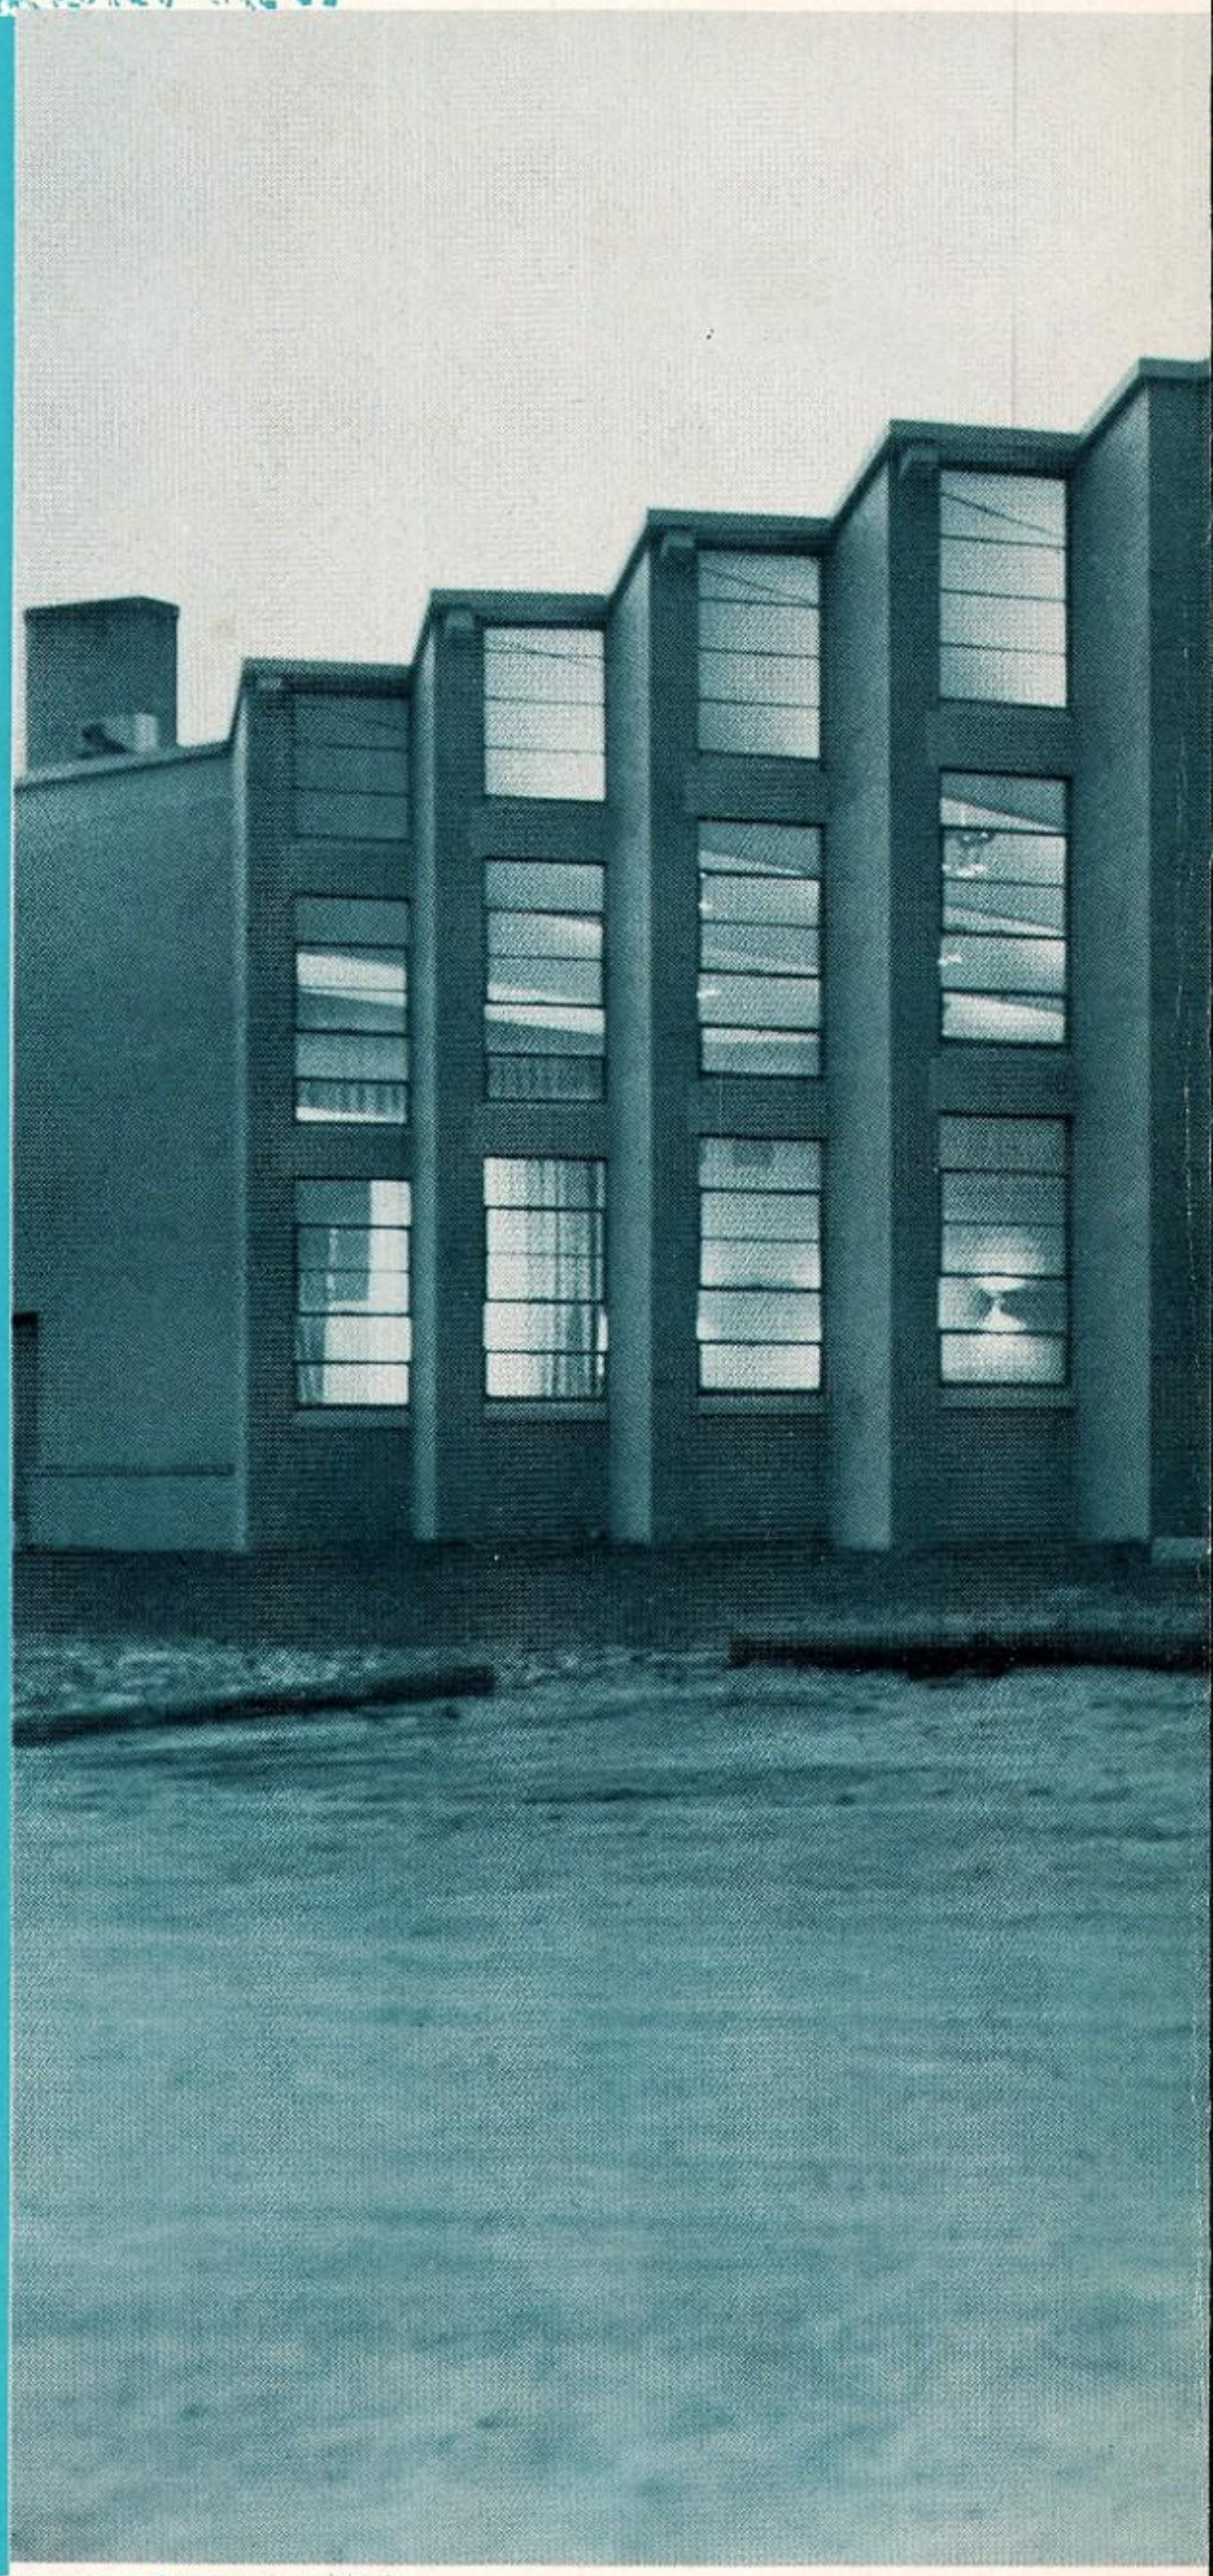
EDITOR'S VALEDICTORY

STUDENT DIRECTORY



Dedication

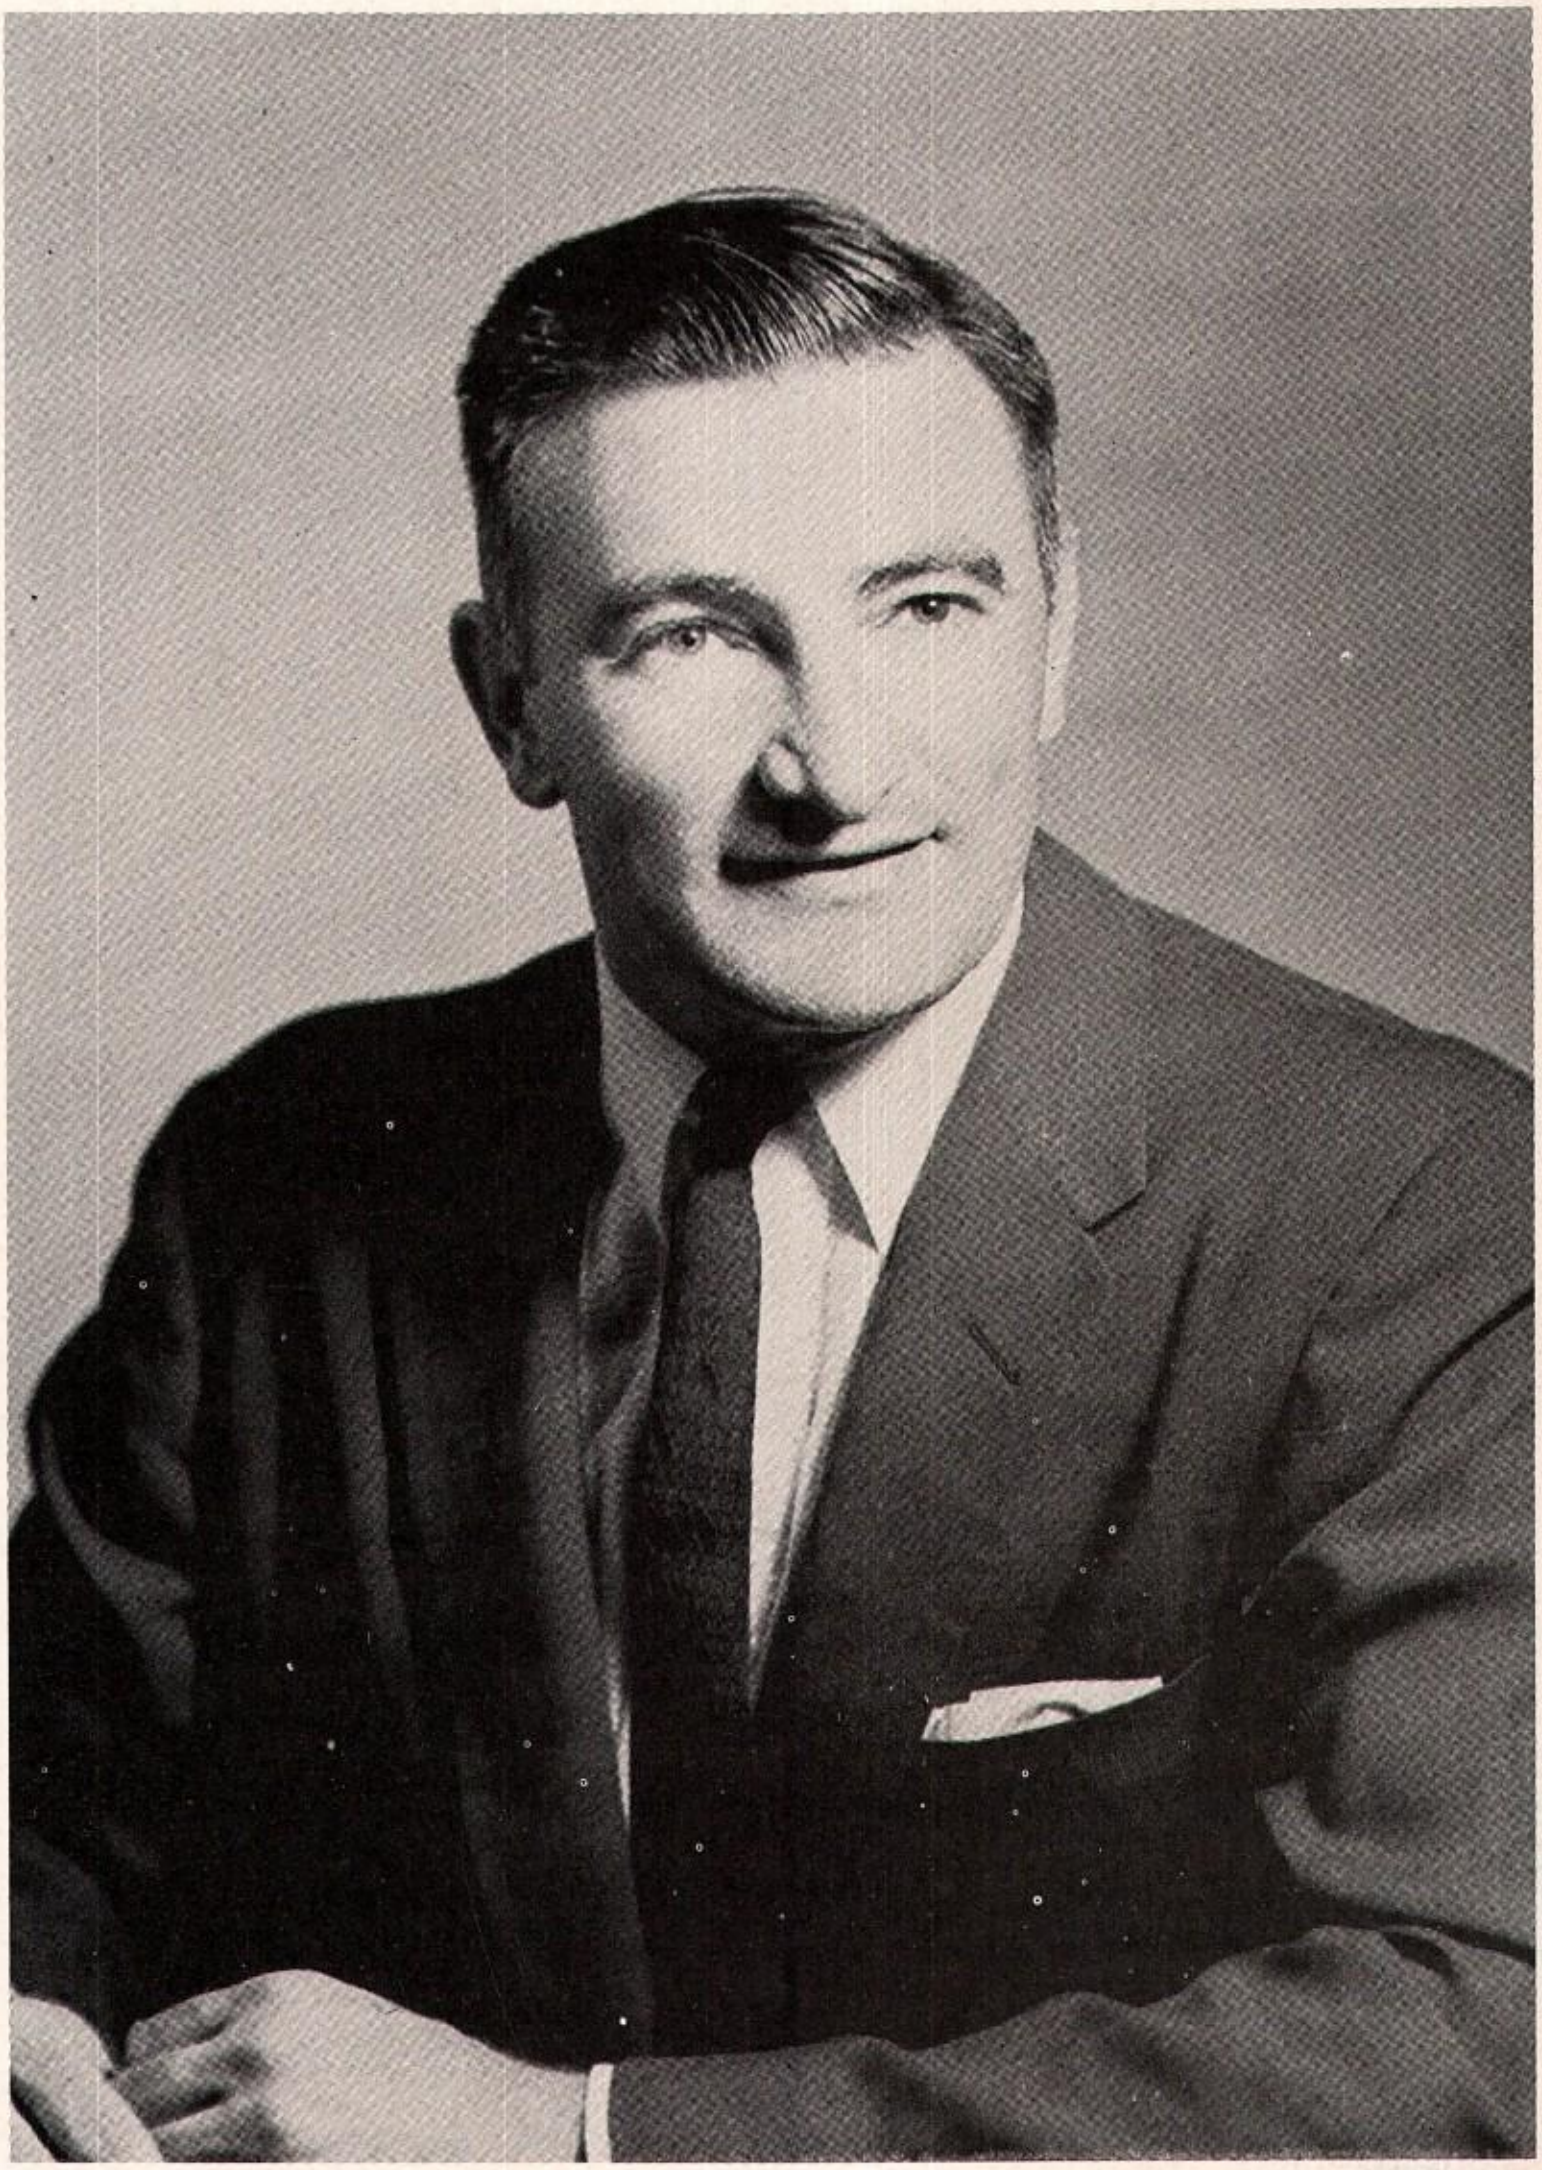
With true affection and gratitude do we, the students of New Bern High School, DEDICATE the 1957 BRUIN to MR. JAMES N. SMITH, JR., our friend and advisor. His claim to distinction lies in a real understanding of the students, their abilities, their faiths,—and in translating these qualities, both by precept and example, into the language of accomplishment.

Mr. Smith, affectionately known as "Jimmy," teaches Physics and Mathematics. A native of New Bern, he received his Bachelor of Science Degree from North Carolina State College and his Master of Arts from the University of Alabama.

Here at New Bern High, where he has taught for seven years, he considers his sponsorship of the Senior Boys' Hi-Y as an all-important privilege.

During the past five years he has served as one of the sponsors for that history-making affair, the Junior-Senior Prom, a time when his versatility has been really tested—and found more than adequate.

May the years be kind to him and smile on his efforts to make of school days hours of pleasure and reward!



James N. Smith, Jr.

THIS IS THE NEUSE RIVER. It is born high in the blue Alleghenies from a tiny spring that shivers from between two rocks. It is joined by another thin sliver of moisture and yet another until it is a little brook. It slips downward to join with other small streams until it becomes a powerful force that flows through the Piedmont area of our state—absorbing other waters in a searching, heady journey toward its destined union with Pamlico Sound.

But the Neuse is more than a body of water, more than an awe-inspiring river; it is many things to many people. To the red man it was the giver of food, the pathway to conquest, the object of grateful worship. When the first white man came to the vicinity of New Bern, the river was the road to adventure, a path to new homes, to a different way of life, to economic independence. To some who were in bondage, it offered freedom, for the Neuse is free!

It is a long river and a deep one. To those who have clung to its banks, it has meant pleasure, friends, livelihood, a bond with the rest of the world —yet at times a rod of discipline, for the Neuse is a thing of moods and will punish any act of irreverence. When, however, one follows the code of the river, when one recognizes its strength, he is richly rewarded!

How like this river is New Bern High School! How deep and strong and wide is the channel of its changing curriculum. How swift and sure does retribution come for violation of its law. How turbulent with inspiration and knowledge does its stream of youth surge into the ocean of the world, and how enriching to humanity the refreshment that it brings!

We hold that the river makes its own channel and thereby shapes its character. Each bend along the way lends strength or beauty; each trailing flower or dipping fern adds joy. So for the current of our youthful stream does the course of study form the channel; and the many activities flowing from it add stamina and delight.

What makes the wheels of industry whirl smoothly? What abilities must I develop in order to get and hold the job I want? Who is Mr. John Q. Public that I must wear my warmest smile to greet him? These and many other questions are answered and illustrated for us in D. E. Class at New Bern High. This picture shows us reviewing our individual projects.

Following the P.T.S.A. meeting of April 30, 1956, all members and their guests were invited to visit the various Science Laboratories and the Industrial Arts building to view some of the accomplishments of young New Bern scientists.

PHYSICS AND CHEMISTRY PRIZES

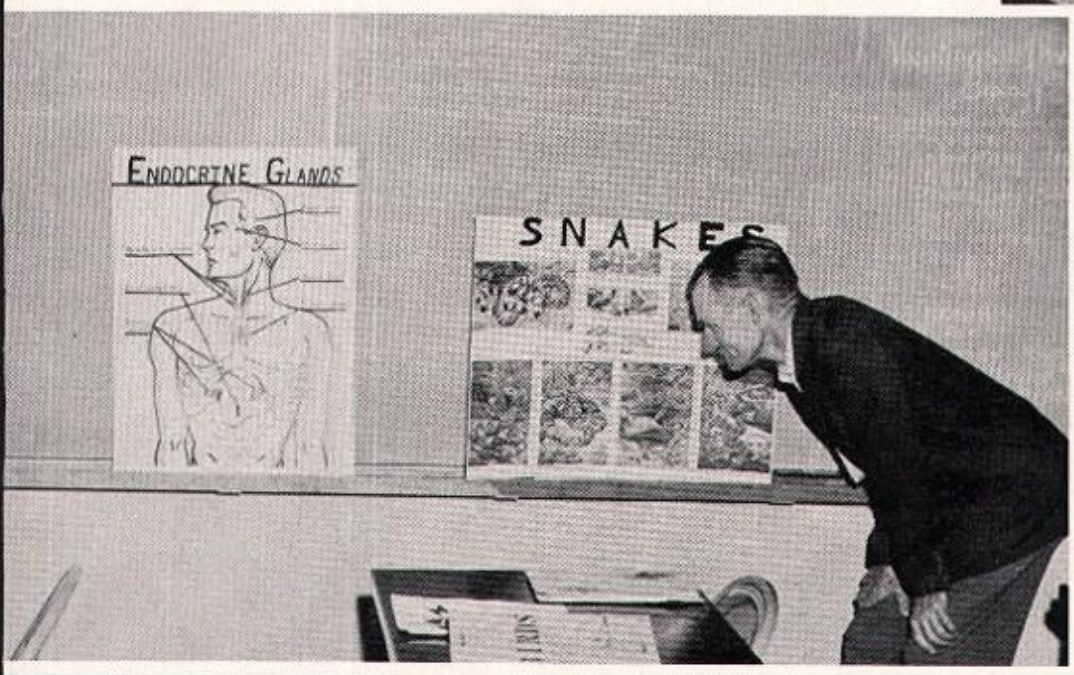
First — Ernest Hughes, Production of Rayon.

Second—Bobby Turbeville, Van de Graf machine for static electricity.

Third — Bobby Stokes and Leo Scott, Telescope.

Fourth—Joseph Zajac, Aneometer.

The judges for the entire fair were W. L. Flowers, Principal of Central School, and H. J. MacDonald, School Superintendent of New Bern School.



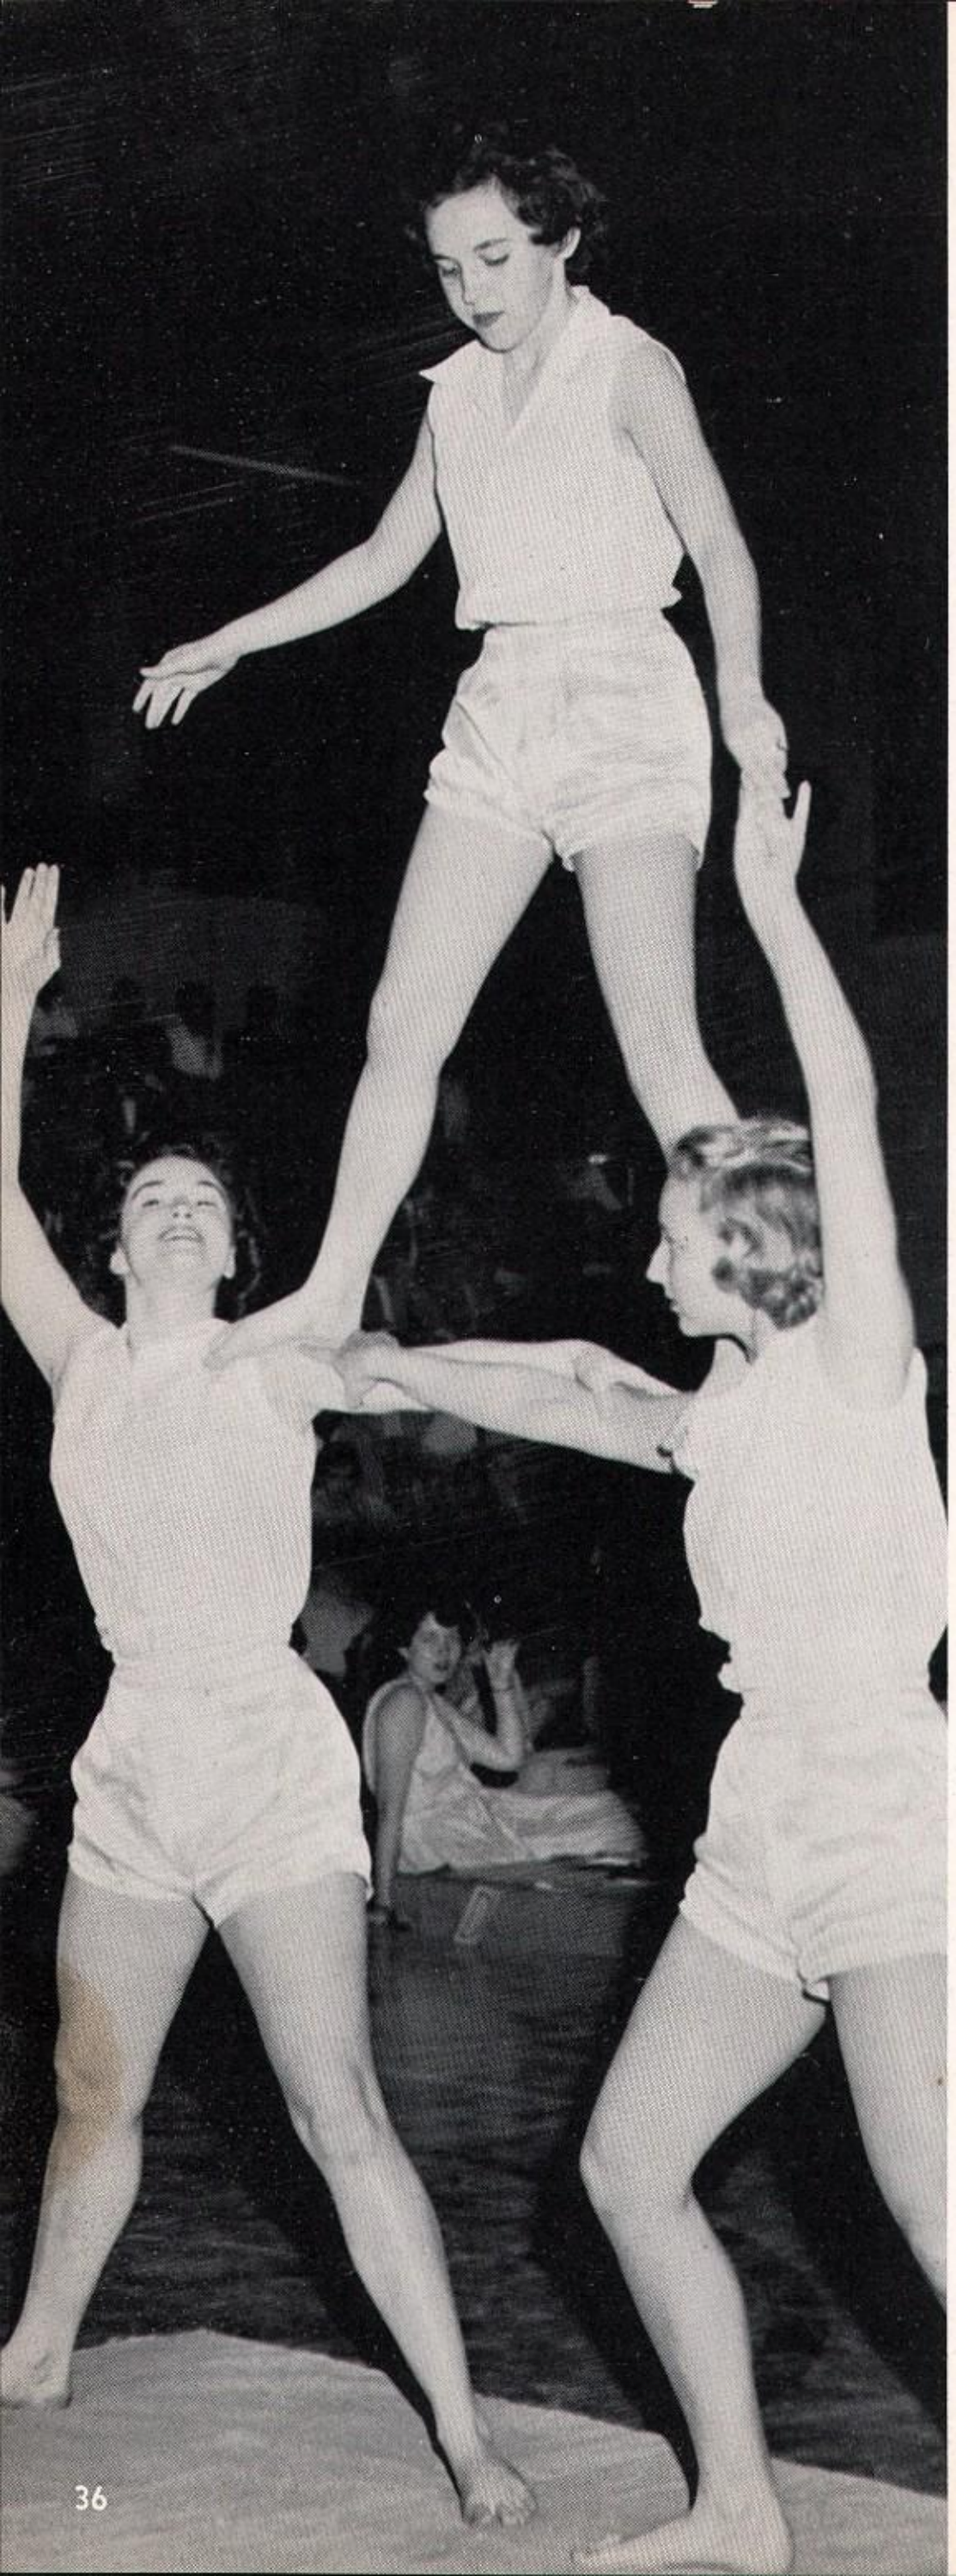
BIOLOGY AND GENERAL SCIENCE

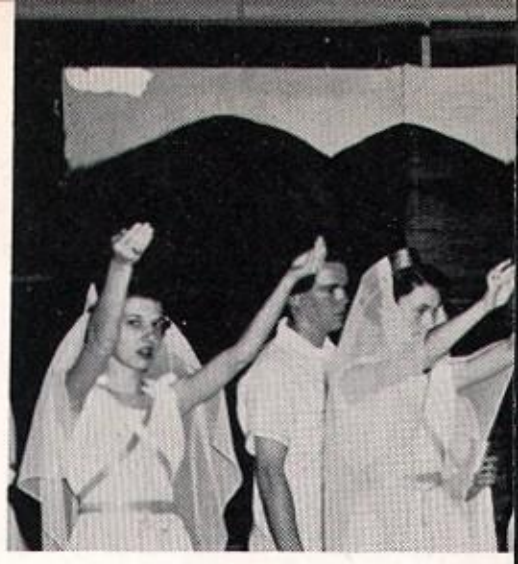
Exhibits on the whole year's work were shown in the General Science and Biology Labs. Displays included scientifically preserved specimens, leaves, bugs, rock collections, and posters on birds, anatomy, and snakes.

INDUSTRIAL ARTS

First year — WOODWORK: Wallace Holten, Gene Lupton, Amos Parker, James Tyndall, Ronnie Lamm, Ford Gar, Edgar and Gene McIlwean.

Second year — James Caldwell, Curtis Lupton, Walter Bunch, Bobby McLawhorn, James Parsons, and Bennie Tingle.





Roman Banquet

On April 6, the New Bern High School gymnasium, scarcely more than one year old, witnessed a scene strange even to veteran halls—a festival in honor of Apollo and the muses.

As the New Bernians watched, Romans from long ago came back to earth and entertained the gods by humorous skits, by acrobatic stunts, by dancing and singing, by instrumental music. A gladitorial combat took place! Dramatic scenes were enacted! Then to the delight of the hungry guests a banquet, served in Roman style, was spread before them. Students — usually dressed in modern garb—now in togas and loose, flowing gowns, reclined to partake of exotic food (friend chicken, no less!).

Our Roman Banquet of 1956 brings back memories of fun and hard work, as well as grateful thought of Mrs. Laura Rhodes, who made it all possible!

The National Citizenship Conference

Standing with the airline stewardess just before boarding the plane are the New Bern High School delegates to the eleventh annual National Conference on Citizenship at Washington, D. C. Jacqueline Grady was selected under the sponsorship of Mayor Mack L. Lupton as one of the three delegates-at-large to represent the entire nation at a conference whose purpose it is to foster the high type of citizenship developed during World War II.

Shown with Jackie are Connie Hobby, first alternate; and Richard Verrone, second alternate. Other New Bern students attending the conference were Betty Jane Smithwick, Charlene Denham, Shirley Brinson, Mary Elizabeth Gardner, Terry Munford, Carolyn Nelson, Lane Aberly and Donna Zacks—the latter two shown in circles at bottom of page.

On Wednesday night a youth panel meeting was held, at which time Jackie took an active part. On Tuesday evening, Lane, Donna, Charlene, and Connie were hostesses at banquet tables serving the Purple Heart Veterans from Bethesda Naval hospital and the Walter Reed Army hospital.

There was a time in the minds of men when a river had its own directing deities. So does our high school have its guiding forces. They, like the river gods of old, direct, inspire, and judge. Here we present the minds that create, the hands that lead, and the spirits that inspire . . .

Administration

Our Board of Education is composed of men and women who have given freely of their time and energy in order that we may have a more efficient school system. It is through their efforts that New Bern High School has become an institution of which every student may be justly proud.

Board of Education

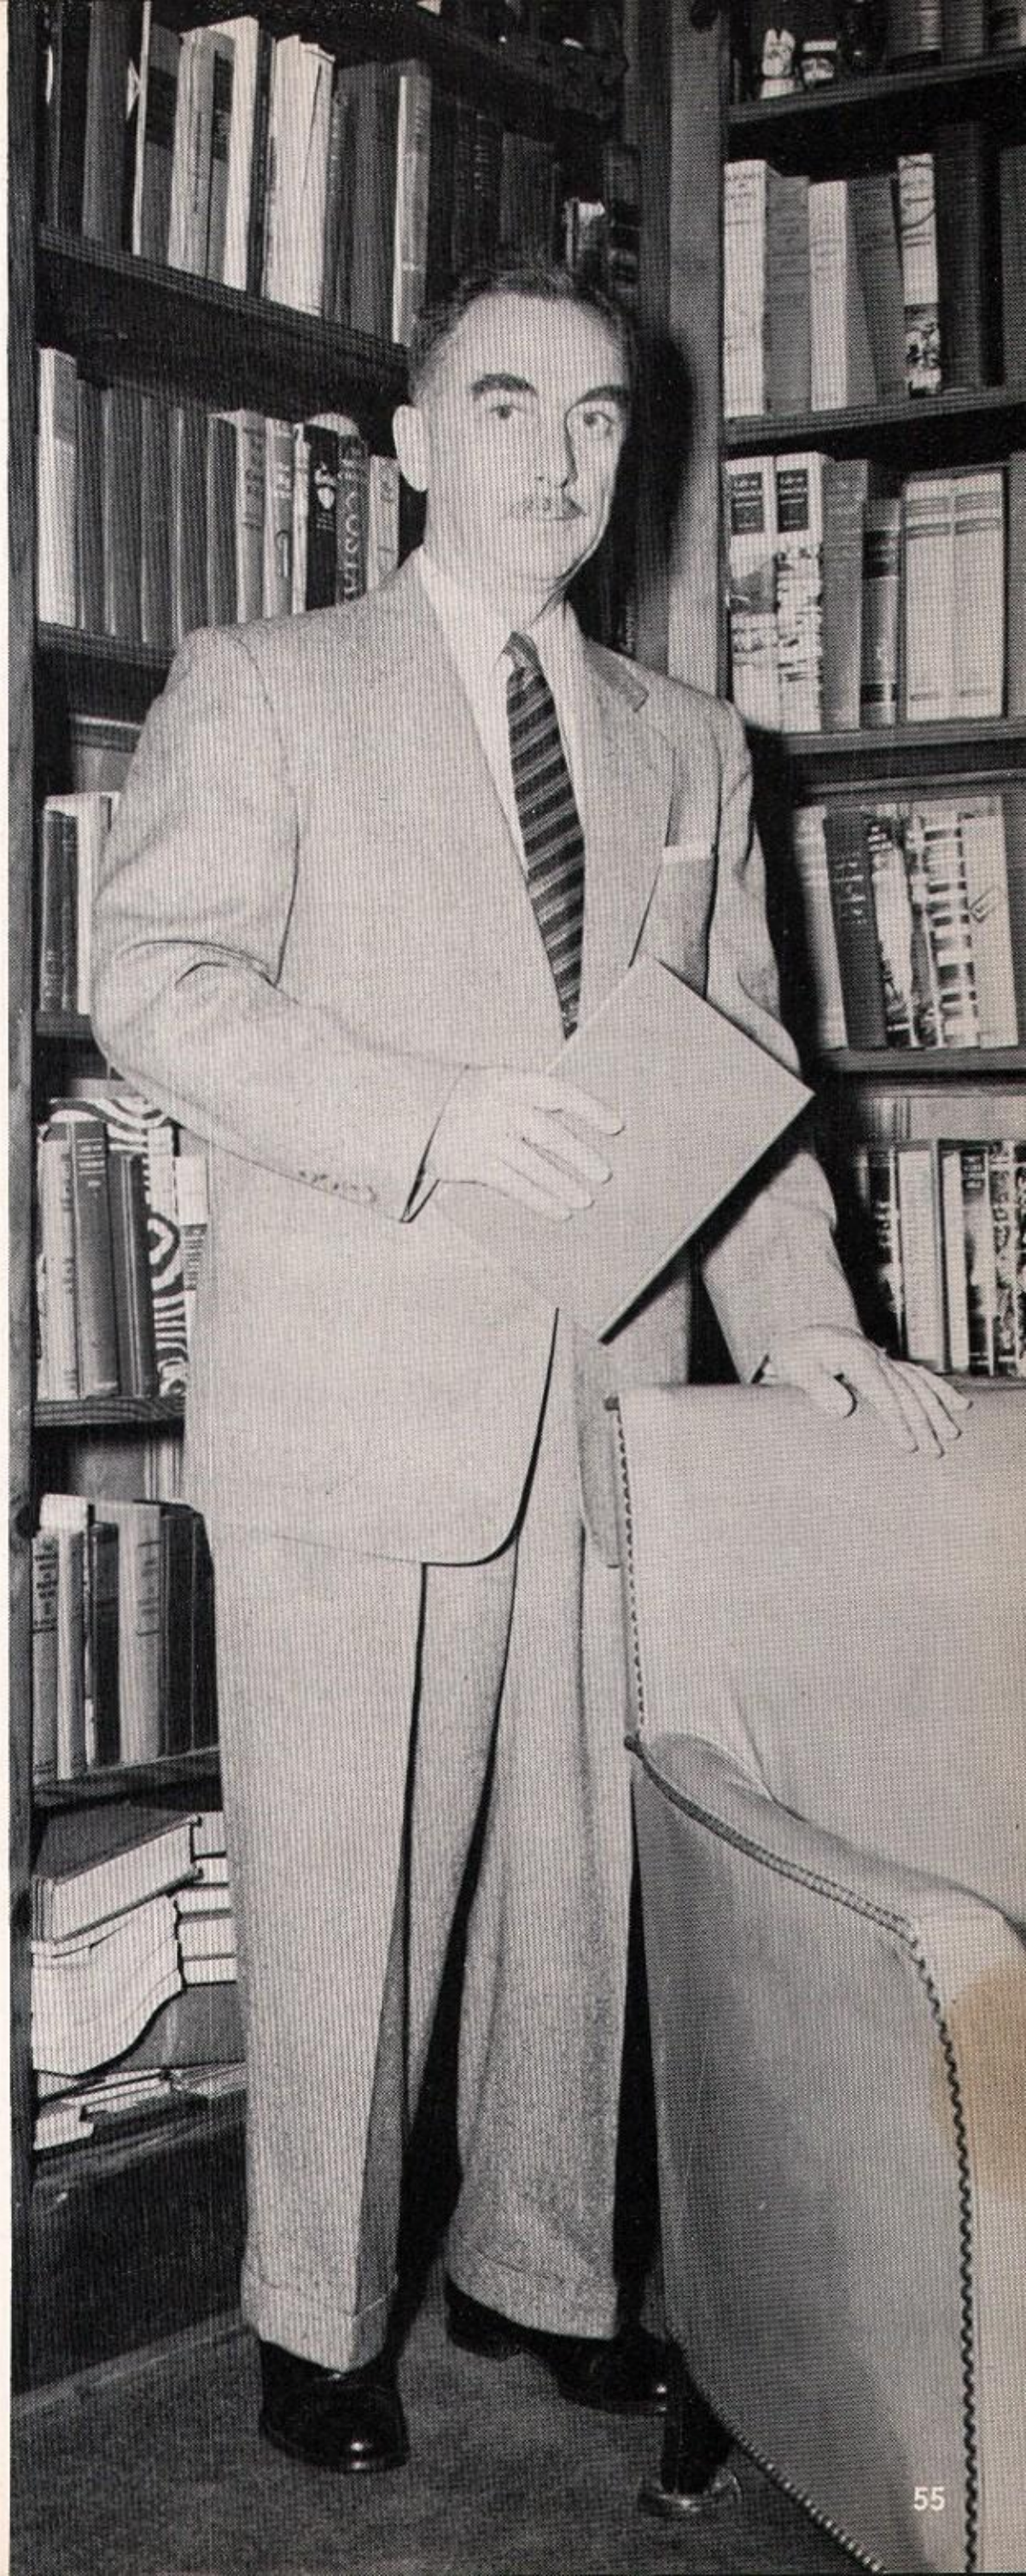
Superintendent of Schools

Mr. Harry J. MacDonald has dedicated the past ten years to the growth and progress of New Bern Schools. Under his leadership our accreditation has been strengthened, our curriculum broadened, and our physical assets vastly improved.

We know Mr. MacDonald as a warm, friendly person, a man of courage and vision! We know him to be public-spirited, dedicated to service, an incorrigible optimist, and possessed of a never-failing sense of humor. One of the bright spots of September days is the assembly hour when "Mr. Mac" speaks to us, for always in his own inimitable fashion he brings us something new and deep to ponder over.



Principal

The past two years have floated gently but swiftly by and have left in their wake much of growth and prestige—all this under the capable leadership of our principal, Richard S. Spear. Dr. Spear graduated from Catawba College in 1944 with a Bachelor of Arts degree. The next year he began graduate work at the University of Hawaii but returned to North Carolina to receive his Master of Arts at Duke University. The same university in the year 1954 granted him the degree of Doctor of Education. Having come to us with such an educational background, he was ideally prepared to assume the triple role of leader, counselor, and disciplinarian—and to discharge capably each duty, at the same time achieving the enviable title of "friend" to both student and teacher.

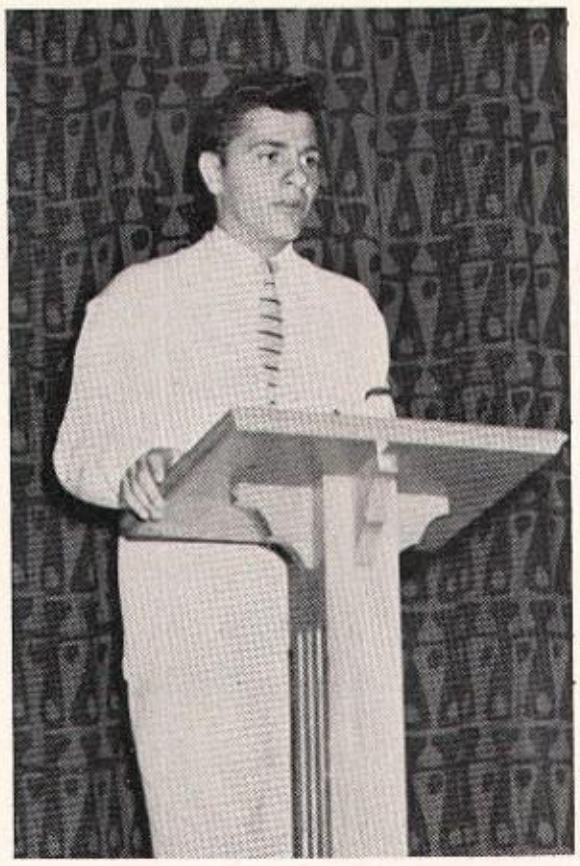
Orientation Day for Incoming Freshmen



Pete Baches, president of the National Honor Society, speaks to the guests, inspiring them to set their standards high.

So this is high school!

Walk, walk, walk! Such a huge place! We've seen the auditorium, the workshop, the "home ec" department—even the principal's office (oo-ooh!!). Now we're going to the classroom building. This ought to be more fun. Wonder how long it will be before we can speak Latin!

Well—even eighth-graders have to eat.

To supplement the academic courses while affording recreation is the province of our . . .

Senior Girls' Tri-Hi-Y

Our purpose: to create, maintain, and extend throughout the home, school, and community, higher standards of Christian character. In this sentence is the summing-up of all that the Tri-Hi-Y stands for. By example and deed, rather than by word, these girls seek to promote the ideals of all Christians. Far from being perfect in all that we do, we seek self-improvement above all else.

Organized in 1951 under the sponsorship of Mrs. Martha Gardner, the H. B. Smith Future Teachers of America Club operates under the aim of interesting students in the field of teaching as a career. They themselves try to cultivate those qualities of character and personality important to the successful teacher. These students are often called upon to substitute for teachers, to help with pre-school clinic, and to attend state teachers' meetings; thus they obtain practical first-hand experience.

New Bern High School NEW BERN, N. C.

Dear Classmates:

Here is your 1957 Bruin. Much effort has gone into it, and much burning of midnight oil--but we shall count it all well-spent if it will serve as your testimonial to a full and happy year. It is our wish that as you turn these pages, your high school years will unfold in restrospect--and you will decorate anew the Shrine auditorium for Junior-Senior, cheer again the Bears as they go into football battle, and thrill once more to the music of the choir and the band.

We hope you will enjoy this book as much as we enjoyed preparing it. It has been ours for almost a year; now it belongs to you.

To the Seniors, we extend our very best wishes and remind them that commencement is a beginning--not an end.

Sincerely,

The Editorial Staff

Seconds later you will find no one in the halls or rooms. One could drop a pin and hear it hit all the way to the end of the building. The silence remains for only forty minutes and once more pupils rush to home rooms.

COACH SAM ARBES

... came to us from Needham Broughton High School in Raleigh, North Carolina, where he was assistant coach of the football squad and head coach of the baseball teams.

Coach Arbes received his B.S. Degree from the University of North Carolina, Chapel Hill, N. C., where he played varsity football for three years. After graduation he joined the United States Marines as a lieutenant and retired a captain. From the Marine Corps, he went to the University of Maryland for graduate work.

We are proud to have Mr. Arbes as a member of our teaching staff, and we predict years of success for him and for New Bern High School.

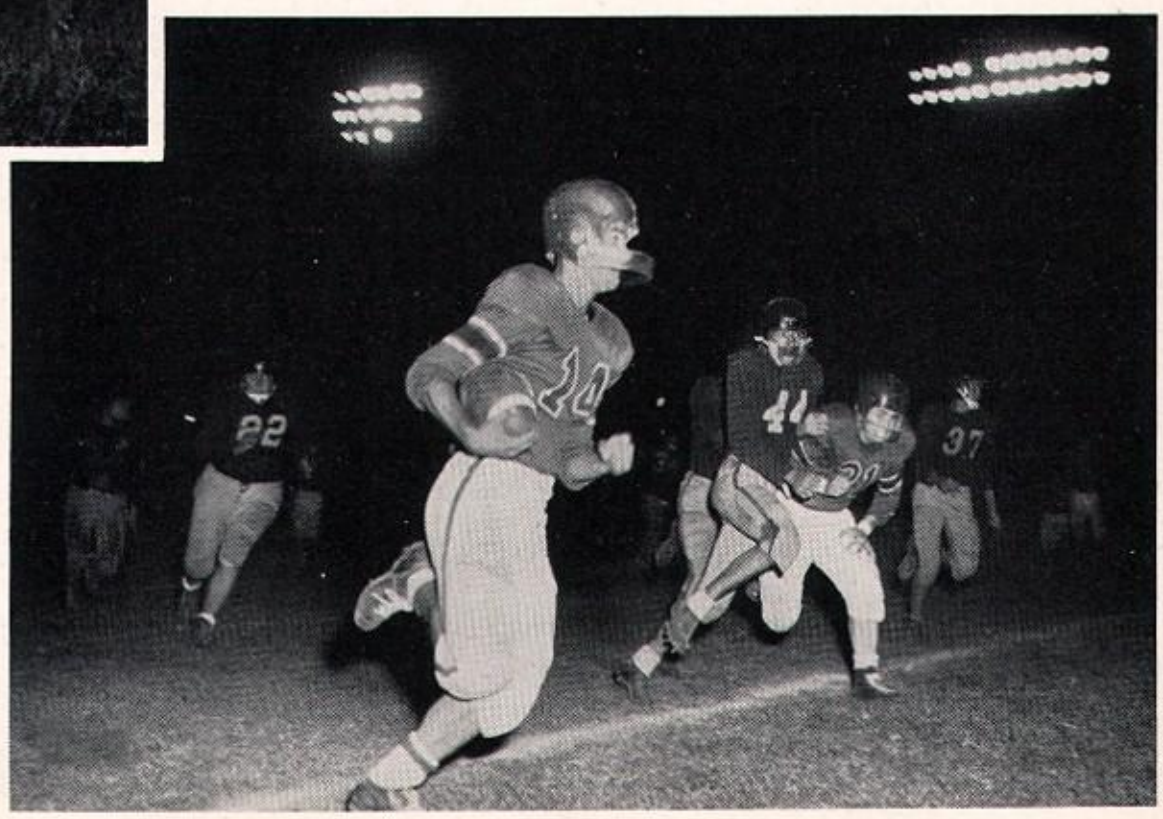
BEARS—20 ROANOKE RAPIDS—6

Despite difficulties which several times thwarted scoring opportunities, the Bears racked up three touchdowns for a 20-6 victory. The Bears scored first when Jack Lewis flanked right end from 10 yards out in the second quarter and repeated on the same depth in the third. Blackie Stith carried in the final period. This was the first conference win of the season.

BEARS—0 WASHINGTON—0

Washington, the team picked to take Northeastern Conference contention this year, out-ran the Bears from scrimmage; but New Bern kept a close guard near the goal posts, staying out of danger for most of the game. Both teams relied on a running offensive. This was truly a moral victory for the New Bern Bears.



Hogan carries!

Worthington smashes through.

BEARS—26 GREENVILLE—0

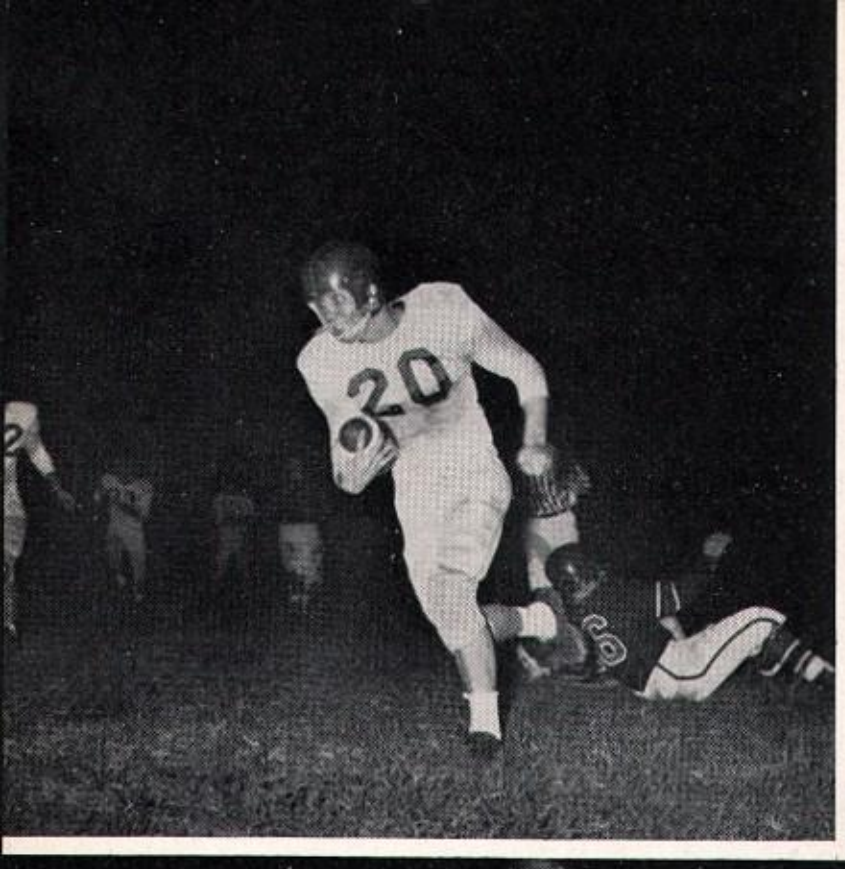
The Bears outclassed the Phantoms from Greenville 26-0 in an impressive Homecoming game. After the Bears scored easily in the first quarter, it looked as if it were all over except for the shouting. The Bears slammed through again in each of the next three quarters. Those scoring were: Verrone 1, Davis 2, and Gillikin 1.

Teamwork!

Lewis meets stiff opposition.

BEARS—6 ELIZABETH CITY—13

It was a staggering set-back for the Bears when they clashed against the Yellow Jackets of Elizabeth City and lost their first-place tie with Washington. The score of the night for New Bern was made by Jean Earl Worthington, on a 10 yd. reverse run.



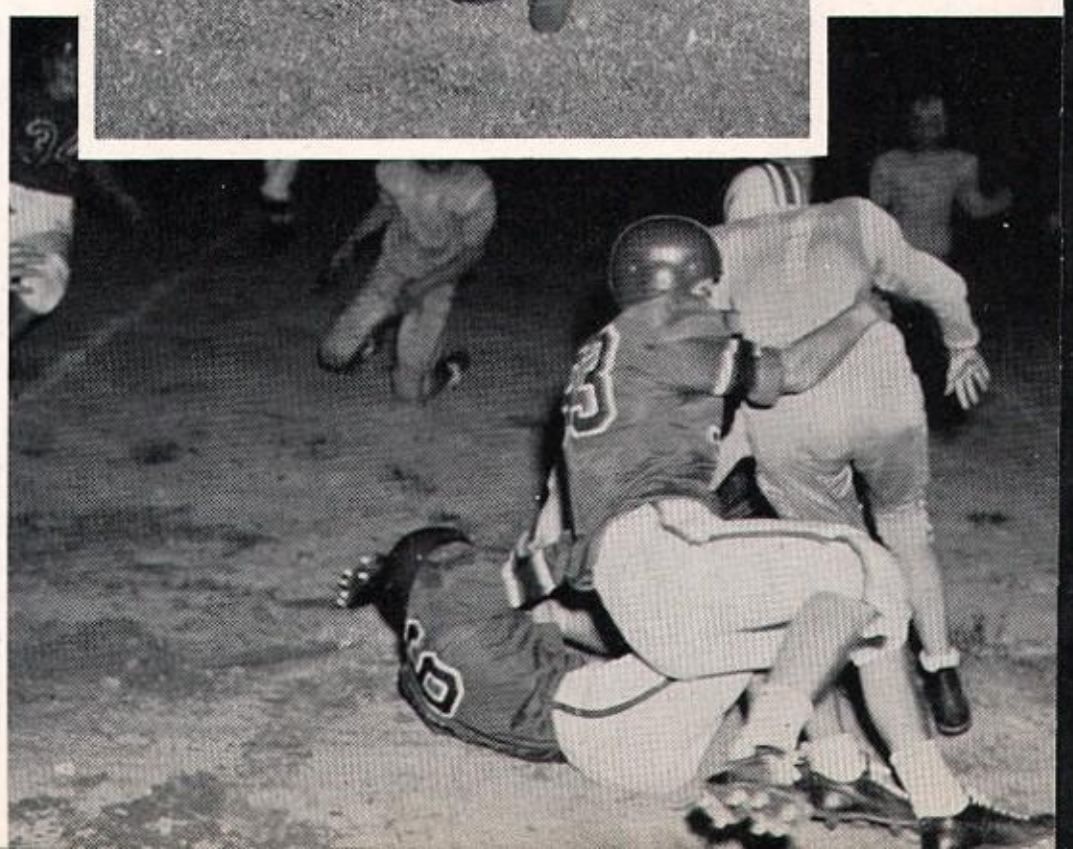
BEARS—0 KINSTON—13

Fumbles and penalties were the major factors against the Bears when they fought their traditional rivals, the Red Devils of Kinston, in the last game of the '56-'57 season. The Red Devils pushed over second and third quarter touchdowns, booting the first extra point straight between the goal posts; and the Bears, though they outrushed their opposition, couldn't get within the striking distance. The penalties mounted and incompleted passes also; principal ground gainers were Charlie Davis and Jack Lewis, although the big New Bern line was conspicuous as a whole.

Hold it, Nelson!

BEARS—27 JACKSONVILLE—12

For three quarters the Bears held a comfortable 20-point lead. They added another score in the third quarter, and in the final frame saw the Cardinals score twice from the one-yard line on quarterback sneaks.



BEARS—0 GOLDSBORO—7

The Bears showed up splendidly against the AAA Goldsboro team, undefeated and undisputed champions in their class. It was a cold, wet night as the two teams fought a death-grip battle through four quarters, but heavy penalties and incomplete passing dogged the Bears' heels all the way. The statistical sheet gave the Bears the game in just about everything except the score.

You can't keep our team down!

J. V. Action

Our J.V. squad is indeed a credit to New Bern High School. What they lack in size, they make up for in determination and effort, qualities proven by the fact that time after time they have pushed a first-half loss to a second-half win. The result of this ability and perseverance is vividly illustrated by a record of straight conference wins since 1954.

Basically, the aim of the J.V. squad is to acquire the fundamentals of football techniques in order to play on future varsity teams, but still they fight to win. Next year the team is scheduled to lose 20 members to the Varsity squad, a fact which promises a bright future for the New Bern football season.

THOSE OF US AT WHIT

. . . the pioneer radio voice of New Bern, are mighty proud of having served the students of New Bern High for 14 years with quality radio programming and of the fine associations we've had with faculty as well as students, particularly those who have started their radio careers as members of our staff.

THANKS FOR YOUR LOYALTY, GUYS AND GALS . . .
WE HOPE YOU LOVE US TOO!!
